Narrative

Esprit Porcelaine Créateurs à Limoges celebrated in 2014 its thirty years of existence.

This group of artists imagines the objects of today and tomorrow.

He asserts his taste for new shapes derived from research that characterizes its desire to maintain the image of Limoges porcelain Excellence through personal features that always go in the direction of innovation.

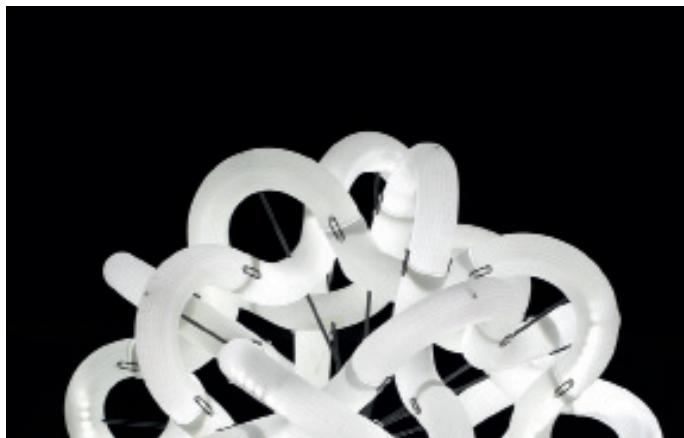

Anchored in its territory, Esprit Porcelaine works closely with the local porcelain industry for the production and editing of its models. Merging creativity, design and art of fire, the members are from diverse backgrounds: designers forms, designers, craftsmen, artists, etc. a true laboratory of ideas composed of multiple sensitivities that offers a rich and contrasting work bringing forth new concepts and contributing to make Limoges exist in modernity. The creators are sensitized by a specific identity design in porcelain, which showcases and reveals its delicacy, translucency and its exceptional qualities, and allows it to enter the architecture material, light, food design ...

Esprit Porcelaine Créateurs à Limoges is a trademark, which since its creation gives voice to young designers and today reaches major goals.

The collective radiates internationally by participating in many fairs and exhibitions: **Creativity Made in France - Revolution by Design**, French Consulates of New York and Los Angeles; **French Art Festival** in Dubai and Abu Dhabi; **Contemporary Art Porcelain**, Design Museum, Ghent; **Porcelain Feast**, ACC Gallery, Barcelona; **Light Experience**, Limoges-Barcelona, National Adrien Dubouche Museum, The Cité de la Ceramique Sèvres-Limoges; **Revelations**, International Fine Craft & Creation Biennial, Paris; **Limoges-Pilsen > Travel Art**, Pilsen, Czech Republic, European Capital of Culture in 2015
